Thanks. I'm going to hang up now because someone else has the line at 2, just in case they are calling in early

I will not be available after 2:00pm today, so no need to call me. I will see you all tomorrow at 1:00.

Sounds good. FYI, we are losing the phone line at 2, so if you have any questions or comments that have not been addressed, now would be a good time. At 2 we are moving rooms too so we can set up the room and do a logistical practices. Since you are the only one on the phone now we can just call you from there if you'd like.

That will work better for me. I will join you all at 1:00pm.

Only if you want to see the Google flyover. If not, we are set to reconvene at 1 for the afternoon session.

Diane,

Since the bus tour is in the morning, is there any benefit in me being there at 7:50 for 40 minutes? I am thinking it may be better for me to join the CTAG meeting after the bus tour. Could you tell me what time you estimate you will be back in NY and resume presentations? Sorry, I didn't pull up the agenda before asking you this.

Frances

For those of you coming to tomorrow's CSTAG meeting please arrive by 7:50 am to ensure that you can get through security and up to the 27th floor by 8 am. Security has a list of attendees. We will begin the day in room 27D and then take a scenic bus tour along the Passaic River starting at 8:45, so your timeliness is much appreciated. I will be in the lobby to meet you tomorrow morning, but if you have any issues, please call me at 212-637-4370.

Thank you,  
Diane Salkie
